# Stock Integrated Form / Label Combinations

Integrated Form/Label Combinations allow you to streamline the printing of your packing list, pick ticket, invoice or statement and shipping labels by combining the form and label into a single document and printing in one pass through your laser or inkjet printer. This allows for increased accuracy and efficiencies while improving printer throughput thus saving time and money.

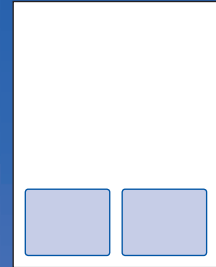

**Item PGL01**

One up 3 1/2" x 2" Label

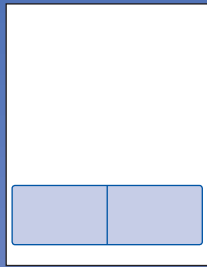

**Item PGL02**

One up 3 1/2" x 2" Label

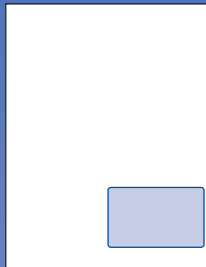

**Item PGL03**

Two up 3 1/2" x 2 3/4" Labels
